Adepta Sororitas

The Adepta Sororitas are warriors of the faith. With bolter and melta, with flamer, howling chainblade and zealous devotion, they purge their enemies from the field of battle in the name of the Emperor and the Imperial Creed. The Battle Sisters excel in short-ranged firefights, mowing down the foe with endless volleys of firepower while their soaring hymnals echo over the screams of the dying.

INTRODUCTION

Below you will find several **ADEPTA SORORITAS** Detachments you can select from to use in games of Warhammer 40,000, as described in the Core Rules (see the Select Detachment Rules step). If you are playing a Crusade battle, see the equivalent step in the Mustering a Crusade Army section of the main Crusade rules. Each Detachment is a themed fighting force that focuses on one particular combat style employed by your chosen faction - the rules they include are as follows:

1 DETACHMENT RULE

If you select to use a Detachment, a Detachment rule listed here will apply either to your whole army or to particular units within it.

2 ENHANCEMENTS

If you select to use a Detachment, when mustering your army, you can upgrade **CHARACTERS** from your army using the Enhancements listed here. Details of how to do so are described in the Core Rules (see the Select Units). If you are playing a Crusade battle, you can instead use the Renowned Heroes Requisition to give your **CHARACTERS** Enhancements, as described in the main Crusade rules.

3 STRATAGEMS

If you select to use a Detachment, you will have access to the Stratagems listed here in addition to the Core Stratagems listed in the Core Rules. During the battle, you can spend Command points (CP) to use these Stratagems.

ARMY RULES

ACTS OF FAITH

It is said the Emperor's benediction touches the Adepta Sororitas, manifesting as a nimbus of holy light in which his power is revealed in miraculous deeds of fortitude and divine strength.

If your Army Faction is **ADEPTA SORORITAS**, each unit from your army with this ability can perform one Act of Faith per phase. This is done using Miracle dice.

GAINING MIRACLE DICE

If your Army Faction is **ADEPTA SORORITAS**, you gain 1 Miracle dice:

- At the start of each turn.
- Each time an **ADEPTA SORORITAS** unit from your army is destroyed.

Each time you gain a Miracle dice, roll one D6. The number you roll is the value of that Miracle dice. This value cannot be changed or re-rolled, unless a rule specifically states otherwise. Keep your Miracle dice to one side - this is your Miracle dice pool.

FAQ / ERRATA

Show

PERFORMING AN ACT OF FAITH

Before making a dice roll for a model or unit from your army with the Acts of Faith ability, if you have one or more dice in your Miracle dice pool, that unit can perform an Act of Faith. If it does, select one of the dice from your Miracle dice pool to substitute that dice roll (if a roll involves more than one dice, e.g. a **Charge roll** or **Battle-shock test**, only a single dice can be substituted). The dice that is being substituted is not rolled; instead, the value of the selected Miracle dice is used as if it had been rolled (this counts as an unmodified dice roll of that value for all rules purposes). Each Miracle dice can only be selected for substitution once. Once all Miracle dice substitutions have been made, remove the chosen Miracle dice from your Miracle dice pool, and roll all remaining, unsubstituted dice that are a part of the dice roll. You can use Miracle dice when a unit performs an Act of Faith for any of the following types of dice roll:

- **Advance roll**
- **Battle-shock test**
- **Charge roll**
- Damage roll
- **Hit roll**
- Saving throw
- **Wound roll**

> ***Example:*** *Instead of rolling 2D6 to take a unit's Battle-shock test, you could use one dice from your Miracle dice pool. If the value of that dice was 4, the unit's Battle-shock test would be determined by rolling one D6 and adding 4 to it (i.e. it would be D6+4).*

CHAMPIONS OF FAITH — 2DP

The Adepta Sororitas assemble their most skilled and pious warriors when a truly vital mission must be completed. Whether they muster in the marshalling cloisters of a holy shrine, aboard a dropship thundering through hostile skies, or even upon the open field of war amidst fountaining explosions and heaped corpses, these hand-picked champions of the Imperial Creed halt long enough to kneel as one and pray to the God-Emperor. Only once they have sworn irrevocable

oaths to the Master of Mankind, promising they will die before failing him, do the Battle Sisters advance. Bound by the promises they have made and sure in the knowledge that they are the finest exemplars of their order, these Champions of Faith stride out with unshakeable purpose and fiercely focused determination to prevail no matter the cost.

CRUSADE RULES

In this section you'll find additional rules for playing Crusade battles that are bespoke to ADEPTA SORORITAS units.

This section contains the following additional rules:

TRIALS OF A LIVING SAINT

Here you will find rules to elevate a warrior in your Crusade force to a living saint. The journey to sainthood is arduous, and there are many trials such a warrior must perform, but with each test passed they unlock more of their true holy potential, and take one step closer to sainthood.

AGENDAS

ADEPTA SORORITAS armies can attempt to achieve unique Agendas in addition to those found in other publications. These represent the faction's unique goals and their particular methods of waging war.

REQUISITIONS

ADEPTA SORORITAS armies have access to a number of bespoke Requisitions in addition to those found in other publications.

BATTLE TRAITS

As they gain experience and prowess, **ADEPTA SORORITAS** units in your Crusade force can be given one of the Battle Traits in this section instead of one presented elsewhere.

CRUSADE RELICS

In addition to the Crusade Relics in other publications, ADEPTA SORORITAS CHARACTER models can claim one of the Crusade Relics.

CRUSADE BADGES

Here you will find three Crusade Badges representing goals you can set yourself when campaigning with your Crusade force. Once one is achieved, you could set yourself a new goal, or take the opportunity to start a new Crusade force.

TRIALS OF A LIVING SAINT

When you start a Crusade force, if there are any **ADEPTA SORORITAS CHARACTER** models on your Order of Battle, you can select one of them (excluding **EPIC HEROES**). That model has the potential to become a **LIVING SAINT**, and gains the **SAINT POTENTIA** keyword. In addition to gaining XP as you play through your Crusade battles, that model will gain Saint points and Martyr points (see below). which you must keep track of on its Crusade card.

SAINT POINTS

With every miraculous deed performed does a true believer of the Emperor step closer to sainthood.

To gain Saint points, a **SAINT POTENTIA** model must undertake a Trial of a Living Saint. When you first select a model to be a **SAINT POTENTIA**, select one of the Trials. That model is now said to be undertaking that Trial and will accrue Saint points towards it by accomplishing one or more Saintly Deeds during a battle, as specified within the Trial itself. Once a **SAINT POTENTIA** has gained 10 or more Saint points, that Trial is complete, its Saint points total is reset to 0, and that model gains the Saintly Reward Battle Honour associated with that Trial. Each of these Battle Honours is unique - you can only have one instance of each. When gaining one of these Battle Honours, if that **CHARACTER** already has its maximum number of Battle Honours, you must replace one of its existing Battle Honours (excluding Saintly Rewards). If this model has 4 or fewer Saintly Rewards, you can then select a new Trial and begin again.

At the end of a battle, a **SAINT POTENTIA** can abandon its current Trial and you can select a new one for it to undertake. If you do, that model's Saint points total is reset to 0.

When a model has 5 Saintly Rewards, replace its **SAINT POTENTIA** keyword with **LIVING SAINT**.

MARTYR POINTS

The ultimate fate for all Living Saints is martyrdom in the Emperor's cause. However, for those that are graced to bear witness to such an end, a great wellspring of faith can be drawn.

Each time a **SAINT POTENTIA** or **LIVING SAINT** model fails an Out of Action test, that model gains 1 Martyr point and you must take a Martyrdom test for it. To do so, roll one D6, adding its current Martyr points total to the result. If the result is greater than that model's Leadership characteristic, that test is passed and the **SAINT POTENTIA** or **LIVING SAINT** has been Martyred; remove that model from your Order of Battle (we recommend writing down the details of their death on your Order of Battle). If a **SAINT POTENTIA** or **LIVING SAINT** is Martyred, every other **ADEPTA SORORITAS** unit that was in your Crusade army gains a number of XP equal to the number of Saintly Rewards that Martyred **SAINT POTENTIA** or **LIVING SAINT** had, having witnessed them in their final battle.

You can now select one **ADEPTA SORORITAS CHARACTER** model on your Order of Battle (excluding **EPIC HEROES**). That model gains the **SAINT POTENTIA** keyword. If your Order of Battle does not contain any such models, the next time you add an **ADEPTA SORORITAS CHARACTER** model to your Order of Battle (excluding **EPIC HERDES**), that model gains the **SAINT POTENTIA** keyword.

TRIALS OF A FAITH

A Living Saint performs miraculous deeds on the battlefield, proof that the Emperor works through them.

Saintly Deeds

Beacon of Divine Grace: Gain 2 Saint points at the end of a battle if this model performed 3 or more Acts of Faith during that battle.
Miraculous Feat: Gain 1 Saint point at the end of a battle for each **Miracle dice** remaining in your Miracle Dice pool (to a maximum of 2 Saint points).

Saintly Reward

Boundless Faith: *In the presence of a living saint, the manifestations of the Emperor's divinity are myriad.*
At the end of each player's Command phase, if this model is on the battlefield, you can discard 1 Miracle dice. If you do, you gain 1 Miracle dice showing a value of 6.

TRIALS OF A SUFFERING

A living saint suffers as the greatest form of prayer to the God-Emperor.

Saintly Deeds

Scars of the Penitent: Gain 3 Saint points each time this model gains a Martyr point.

Martyr's Wounds: Gain 1 Saint point at the end of a battle if this model is below its Starting Strength. Gain 2 Saint points instead if this model was destroyed while within range of an objective marker.

Saintly Reward

Miraculous Recovery: *Flesh that was burned and torn heals a new, and blows that should have been fatal miraculously miss their mark.* At the start of any phase, you can discard 1 **Miracle dice**. If you do, this model regains all of its lost wounds.

TRIALS OF A PURITY

A living saint is so pure that no doubt can fetter their heart, malign sorcery cannot touch their soul, and no wound can stay their will.

Saintly Deeds

Consecrate Ground: Gain 2 Saint points at the end of a battle if this model is within 6" of the centre of the battlefield.

Divine Will: Gain 2 Saint points at the end of a battle if this model's unit did not fail a **Battle-shock test** during that battle.

Saintly Reward

Blazing Soulfire: *As this holy warrior strikes, their foes burst into searing flames as if they have been touched by the Emperor's own hand.* Each time this model's unit is selected to fight, you can discard 1 **Miracle dice**. If you do, until the end of the phase, double the Strength characteristic of this model's melee weapons and those weapons have the [DEVASTATING WOUNDS] ability.

TRIALS OF A RIGHTEOUSNESS

A living saint will smite the enemies of the Emperor wherever they cower.

Saintly Deeds

Slay the Demagogue: Gain 2 Saint points at the end of a battle if this model destroyed one or more enemy CHARACTER units during that battle. Gain an additional 2 Saint points if one of those destroyed units contained the enemy WARLORD.

Smite the Unbelievers: Gain 2 Saint points at the end of a battle if this model destroyed 5 or more enemy models during that battle.

Saintly Reward

Righteous Judgement: *None can escape the Emperor's judgement, and wherever the foe attempts to seek shelter. the shots of the Adepta Sororitas miraculously seek them out.*

Each time this model's unit is selected to shoot, you can discard 1 **Miracle dice**. If you do, until the end of the phase, ranged weapons equipped by models in that unit have the [IGNORES COVER] ability and each time an attack made by such a weapon scores a Critical Wound, that attack has the [PRECISION] ability.

TRIALS OF A VALOUR

A living saint leads their flock to victory, even when hope seems lost.

Saintly Deeds

Holy Crusader: Gain 3 Saint points at the end of a battle if this model is wholly within your opponent's deployment zone.
Pious Reputation: Gain 2 Saint points at the end of a battle if this model gained more XP than any other unit from your Crusade army during that battle.

Saintly Reward

Voice of the Emperor: *The blessed speak with the divine voice of the Emperor, a soul-shattering pronouncement that stuns the faithless in their tracks and renders useless their heretical attempts to avoid retribution.*
At the start of the Battle-shock step of your opponent's Command phase, you can discard 1 **Miracle dice**. If you do, every enemy unit that is within 12" of this model and below its Starting Strength must take a **Battle-shock test**. If such a unit is **Below Half-strength**, subtract 1 from Battle-shock tests taken for that unit this phase instead.

AGENDAS

If your Crusade army includes any **ADEPTA SORORITAS** units, you can select Agendas from those presented here.

TEST OF FAITH

Faith is the greatest weapon a Battle Sister can wield, and as with any weapon, it must be practised and honed.

Each time a unit performs an Act of Faith, you can discard 1 additional **Miracle dice**. If you do, place that dice on that unit's Crusade card. Each time a unit from your Crusade army fails a **Battle-shock test**, remove all Miracle dice placed on that unit's Crusade card. At the end of the battle, each unit from your Crusade army gains 1XP for each Miracle dice on its Crusade card (to a maximum of 3XP). If a **SAINT POTENTIA** model gains any XP as the result of this Agenda, it also gains 1 Saint point.

ATONEMENT IN BATTLE

Those who have failed in the Emperor's eyes must quest for absolution. Only by striking down the mightiest foes will their shame be absolved.

When you select this Agenda, select up to three **ADEPTA SORORITAS** units from your Crusade army; each unit selected must either be **PENITENT** or have one of the following Battle Scars: Fatigued, Disgraced, Mark of Shame or Battle-weary (see Battle Scars). At the end of the battle, each of those units that destroyed one or more enemy units gains 3XP, loses one of the aforementioned Battle Scars of your choice (if applicable) and, if it is a **REPENTIA SQUAD** unit, gains 1 Redemption point (see the Glorious Redemption Requisition). Make a note on a unit's Crusade card each time it gains a Redemption point.

DEFEND THE SHRINE

The location of a small but sacred shrine has been identified, a hallowed site that houses an irreplaceable saintly relic. Defend this holy tribute lest it be desecrated by the enemy and lost to the Adeptus Ministorum forever.

If you select this Agenda, after both sides have finished deploying, your opponent must select one objective marker that is not in their deployment zone to be the Sacred Shrine objective marker. At the end of each of your turns, if you control that Sacred Shrine objective marker, you can select one **ADEPTA SORORITAS** unit from your Crusade army that is within range of it; that unit gains 1XP.

At the end of the battle:

- If you do not control that Sacred Shrine objective marker, you do not receive the 1 Requisition point you would normally receive in the Update Order of Battle step.
- If you control that Sacred Shrine objective marker, you can select one **ADEPTA SORORITAS** model within range of it (excluding **EPIC HEROES**); that model gains either 1 Weapon Modifications, 1 Crusade Relic (**CHARACTER** models only) or 3 Saint points (**SAINT POTENTIA** models only).

PIOUS PURGATION

The enemy opposes the will of the Emperor. Cleanse this holy battlefield of such heretics! Show them the error of their blasphemy with bolter, me/ta and holy flamer.

Each time an **ADEPTA SORORITAS** unit from your Crusade army is selected to shoot or fight, if one or more enemy units are destroyed as a result of those attacks, that unit gains 1XP. While resolving those attacks, if one or more **PSYKER** models are destroyed, that unit gains an additional 1XP, and if one or more enemy models are destroyed by an attack made with a Torrent or Melta weapon, that unit gains an additional 1XP. A unit cannot gain more than 3XP from this Agenda during the battle. If a **SAINT POTENTIA** model gains any XP as a result of this Agenda, that model also gains 1 Saint point.

REQUISITIONS

If your Crusade army includes any **ADEPTA SORORITAS** units, you can spend Requisition points (RPs) on any of the following Requisitions.

DIVINE CALLING 1RP

No potential saint would willingly abandon a trial. Only holy vision or divine inspiration may permit deviation from their course.

Purchase this Requisition at the end of a battle, when your **SAINT POTENTIA** model abandons its current Trial and starts a new one. After resetting its Saint points to 0, it gains a number of Saint points towards its new Trial equal to half the number of Saint points it had gained towards that abandoned Trial (rounding up).

ASCENSION TO THE ORDER 2RP

Those Sisters Novitiate who have served bravely may ascend into the ranks of the Orders Militant, earning the right to don their blessed power armour.

Purchase this Requisition before a battle. Select one **SISTERS NOVITIATES SQUAD** unit on your Order of Battle with the Blooded rank or higher. Remove that unit from your Order of Battle and add one **BATTLE SISTERS SQUAD**, **DOMINION SQUAD** or **RETRIBUTOR SQUAD** unit to your Order of Battle. The new unit has the same Battle Honours and Battle Scars as the unit it replaced, and has 5 more XP than the unit it replaced.*

THE PENITENT PATH 2RP

For the devout, any failing is a shame that cannot be borne and must be redeemed through deeds of great bravery and butchery.

Purchase this Requisition before a battle. Select one of the following:

- Select one **BATTLE SISTERS SQUAD**, **DOMINION SQUAD** or **RETRIBUTOR SQUAD** unit on your Order of Battle that has suffered a Devastating Blow result. Remove that unit from your Order of Battle and add one **REPENTIA SQUAD** unit to your Order of Battle.
- Select one **REPENTIA SQUAD** unit on your Order of Battle that has suffered a Devastating Blow result. Remove that unit from your Order of Battle and add one **MORTIFIERS** unit to your Order of Battle.

In either case, the new unit has the same Battle Honours, Battle Scars and XP as the unit it replaced, and until it is removed from your Order of Battle, it will gain 2XP from Dealers of Death, instead of just 1XP.*

GLORIOUS REDEMPTION 1RP

Those who have trod the path to redemption are revered figures within the Orders Militant, their dedication and unswerving faith a shining beacon to all.

Purchase this Requisition before a battle. Select one **REPENTIA SQUAD** unit on your Order of Battle that has 3 Redemption points (see the Atonement in Battle Agenda). Remove that unit from your Order of Battle and add a **SERAPHIM SQUAD**, **ZEPHYRIM SQUAD**, **CELESTIAN SACRESANTS** or **PARAGON WARSUITS** unit to your Order of Battle. The new unit has the same Battle Honours and Battle Scars as the unit it replaced, and gains one Battle Trait of your choice (this must be a Battle Trait it can have, but does not count towards the maximum number of Battle Traits a unit can have). If the Legendary Veterans Requisition is used on this unit, that Requisition only costs you 1RP.*

IN SUFFERING, ENLIGHTENMENT 1RP

Sacrifice and suffering are embraced by the Sisters of the Adepta Sororitas. Scars are displayed with pride and the fallen venerated.

Purchase this Requisition after a battle, before an **ADEPTA SORORITAS** unit from your Crusade army takes an Out of Action test. That test is automatically failed and that unit gains 1 Battle Scar and 1 Battle Honour of your choice. If that unit was a **SAINT POTENTIA**, it also gains 3 Saint points and 1 Martyr point. You cannot use this Requisition on the same unit more than once.

SAINTLY BENEDICTIONS 1RP

The Emperor's chosen warriors sometimes enact miraculous feats on the battlefield.

Purchase this Requisition before a battle. During the first battle round of that battle, each of the **Miracle dice** you gain at the start of each player's turn is automatically a 6.

* You cannot purchase this Requisition if doing so would cause your Crusade force to exceed its current Supply Limit.

BATTLE TRAITS

When a **ADEPTA SORORITAS** unit gains a Battle Trait, you can use one of the tables presented here to determine which Battle Trait that unit has gained.

INFANTRY and PARAGON WARSUITS Models D6

PURE OF SOUL 

Only unquestioning faith in the Emperor offers protection against the witchery of xenos and heretic.

Each time a **Psychic Attack** targets this unit, subtract 1 from the **Wound roll**.

VALOUR OF SAINTS 

Those who stand unflinching against the horrors of the galaxy inspire their comrades to feats of divine heroism

Each time this unit takes a Battle-shock or **Leadership test**, you can first discard 1 **Miracle dice**. If you do, that test is automatically passed.

ARMOUR OF FAITH 

Indomitable belief in the Emperor and disdain for the enemy are surer than any armour.

Once per phase, when this unit is selected as the target of an attack, you can discard 1 **Miracle dice**. If you do, until the end of the phase, each time an attack targets this unit, worsen the Armour Penetration characteristic of that attack by 1.

VETERANS OF THE CONVENT 

Some members of the Orders Militant have waged war on a hundred or more battlefields, their scars an offering to the God-Emperor.

You can re-roll failed Out of Action tests taken for this unit, and each time this unit is Marked for Greatness, it gains an additional 2XP.

ZEALOUS DEVOTION 

Such is the intensity of their devotion that some Battle Sisters work themselves into a righteous fury whenever the Emperor's foes are sighted.

Each time this unit makes a **Charge move**, until the end of the turn, improve the Weapon Skill characteristic of melee weapons equipped by models in this unit by 1.

EXEMPLARS OF THE ORDER 

These Sisters embody the ideals of their Order and its Matriarch.

This unit can perform 1 additional Act of Faith per phase.

PENITENT Units D6

UNQUENCHABLE FANATICISM

The reserves of holy hatred some zealots have for the foul enemies of Mankind are limitless.

Add 1 to **Advance** and **Charge rolls** made for this unit.

FAITHFUL DEVOTEE

The suffering endured by the faithful serves only to remind those still fighting that there is no more noble goal than to die in the name of the Emperor.

Each time this unit is selected as the target of an attack, if this unit is Below Half-strength, models in this unit have the **Feel No Pain 4+** ability against that attack.

BLOOD BEGETS ABSOLUTION

Each foe slain is an offering to the Emperor and brings the penitent one step closer to absolution in the eyes of their Order.

Each time this unit destroys an enemy unit in the Fight phase, you gain 1 Miracle dice.

CHARACTER Units D6

DEEDS, NOT WORDS

This warrior never speaks unless it is to exalt the God-Emperor. Wherever their faithful followers fight against the darkness, this leader will be at the forefront, taking the fight to the foe.

Each time this model makes an attack, you can re-roll the **Hit roll** and you can re-roll the **Wound roll**.

AEGIS OF BELIEF

This leader has such strength of belief that they refuse to yield, their faith in the Emperor proof against any harm.

This model has the **Feel No Pain 5+** ability and, at the start of your Command phase, this model regains 1 lost wound.

BEACON OF FAITH

This Adepta Sororitas leader is a shining beacon of faith in whose presence miracles manifest with regularity.

At the end of your Command phase, if this model is your **WARLORD** and is on the battlefield, you can spend ICP. If you do, you gain D3 **Miracle dice**.

VEHICLE Units — D6

Excluding WALKERS

MOBILE SHRINE (AURA)

This vehicle is on inspirational wellspring of faith. Those who look upon its blessed form fill with zeal, their resolve hardened by its presence.

While a friendly **ADEPTA SORORITAS** unit is within 6" of this unit, improve that unit's Leadership characteristic by 1.

PIOUS MACHINE SPIRIT

The war engines fielded by the Orders Militant are just as faithful and intractable as the Battle Sisters who crew them.

Each time this unit performs an Act of Faith, the result of one of the **Miracle dice** used in that Act of Faith is first improved by 1 (to a maximum of 6).

THRICE-BLESSED HULL

The hallowed blessings and artefacts built into the hulls of Adepta Sororitas vehicles can turn aside the most unholy flames.

This unit has the **Feel No Pain 4+** ability against **mortal wounds**.

CRUSADE RELICS

ARTIFICER RELICS

PHIAL OF DOLAN

Anyone who drinks the contents of one of these thrice-blessed crystal bottles fills with the courage and determination of Dolan, the Great Confessor.

Improve the bearer's Wounds, Leadership and Objective Control characteristics by 1.

PRAESIDIUM ROSARIUS

This ancient rosarius was crafted during the Age of Apostasy and blessed by the Prioresses of the Covent Sanctorum and the Convent Prioris.

The bearer has a 4+ invulnerable save. Each time the bearer's unit is selected as the target of an attack, you can discard 1 **Miracle dice**. If you do, until the end of the phase, the bearer has a 3+ invulnerable save.

TEARS OF THE EMPEROR

There are many stories of statues of the Emperor that weep blood-like tears. These are collected in ornate flasks and used to anoint the firearms of the faithful, for - it is said - they impart a spark of divine wrath into the weapons' machine spirits, rendering them particularly lethal against the forces of Chaos.

Improve the Attacks, Strength and Damage characteristics of the bearer's ranged weapons by 1, and those weapons have the **[DEVASTATING WOUNDS]** and **[ANTI-CHAOS 4+]** abilities.

THE SIGIL ECCLESIASTICUS

This small icon is granted only to those adepts of the Ecclesiarch who have undergone the ten Pilgrimages of Saint Dolan, culminating on Holy Terra. To bear such a symbol is to be recognised as a most devout follower of the Emperor.

SAINT POTENTIA model only. When the bearer is destroyed, the **Miracle dice** you gain as a result is automatically a 6. At the end of the battle, the bearer gains 1 Saint point (whether destroyed or not).

ANTIQUITY RELICS

Blessings of Sebastian Thor

Each of the Convents contains a single copy of the first verse of the Creed of the Emperor's Light, a stirring hymn said to have been penned by Sebastian Thor's own hand. Affixed to a warrior's armour by wax mixed with the blood of martyred heroes, these words bestow holy blessings upon the bearer.

If the bearer is in your Crusade army, you can use one Crusade Blessing even if you are not the Underdog.

Icon of Sanctity

Foes who see this icon are filled with awe and dread, for it radiates an aura of divine brilliance that can cause enemies of the faith to falter in their advance in the face of overwhelming piety.

Each time an enemy unit selects the bearer's unit as a target of a charge, that enemy unit must take a **Battle-shock test**; if that test is failed, subtract 2 from the **Charge roll** made for that charge.

Battle-Psalms of Vespania

Penned by Canoness Vespania of the Order of the Ebon Chalice, this tattered book of scripture contains a collection of allegorical psalmody that provides inspiration and insight in equal measure. When sung aloud, they drive Battle Sisters to acts of heroism and instil within them a valuable understanding of the art of war.

When selecting Agendas for a battle, you can select one **ADEPTA SORORITAS** Agenda to be used in that battle in addition to any others being used in that battle.

LEGENDARY RELICS

WEAPON OF THE MATRIARCH

This blessed weapon is said to have been borne to battle by one of the Matriarchs of the Adepta Sororitas. Bearers are granted a portion of her physical might and combat prowess, lending them the ability to match the enemy's most puissant champions in single combat.

LIVING SAINT model only. Improve the Strength and Armour Penetration characteristics of the bearer's melee weapons by 1, and those weapons have the **[ANTI-CHARACTER 4+]**, **[DEVASTATING WOUNDS]** and **[PRECISION]** abilities.

CRUSADE BADGES

When your Crusade force accomplishes specific long-term goals, you can earn the Crusade badges shown below, representing your warriors' successes over many battles.

WARRIOR OF THE FAITH

You have shown yourself to possess the faith, fury and tactical acumen to lead the forces of the Adepta Sororitas to battle. By your hand have heretics and xenos been purged with holy fire. Priesthood and penitents flock to join your holy war, convinced that you are destined for greatness, and that by fighting as well they may earn the Emperor's favour.

- You have completed one Trial of a Living Saint.
- You have used the Ascension to the Order Requisition to add one or more new units to your Order of Battle.
- You have won two or more battles.

ZEALOUS CHAMPION

You have borne the Emperor's light into the darkness and with it burned away the taint of witchery, mutation and xenos infestation. The thronging faithful look upon you and see a divine instrument of the Emperor's wrath.

- You have completed three or more different Trials of a Living Saint.
- One or more **ADEPTA SORORITAS** units from your Crusade force have one or more Battle Scars, or your **SAINT POTENTIA** model has 2 or more Martyr points.
- You have used The Penitent Path Requisition to add one or more new units to your Order of Battle.
- You have won six or more battles.

LIVING SAINT

You are an arch-protector of the faith, a paragon of the Imperial Creed and a radiant instrument of the Emperor's divine will in whose presence miracles are wrought. Enemies quiver before your holy aspect.

- Your Order of Battle contained a **LIVING SAINT** (even if that model was subsequently Martyred).
- One or more **ADEPTA SORORITAS** units from your Crusade force have been removed from your Order of Battle because they received too many Battle Scars, or your **SAINT POTENTIA** or **LIVING SAINT** model has been Martyred.
- You have used the Glorious Redemption Requisition to add one or more new units to your Order of Battle.
- You have won ten or more battles.

'At the start of the Declare Battle Formations step, you can select one **BATTLE SISTERS SQUAD**, **DOMINION SQUAD** or **SISTERS NOVITIATE SQUAD** from your army. If you do, that unit is split into two units, each containing as equal a number of models as possible (when splitting a unit in this way, make a note of which models form each of the two new units. If you are splitting a unit that has the Cherub ability, only one of the new units can use that ability during the battle – make a note of which of the new units this will be).
